Change in Ownership and Authorized Contacts

Dear Ms. Carlisle:

I am writing you as a follow up to your telephone discussion of November 20, 2017 with Karen Warkentien of Certis USA LLC (Certis). As Karen mentioned, LAM International Corp. (LAM) was acquired by Certis in June 2017. LAM continues to operate as a separate entity and maintains its official address of record in Butte MT. As a result of the acquisition, Certis personnel now have dual responsibility to support both Certis and LAM regulatory efforts. To that end, the following personnel may act on behalf of LAM:

Karen E. Warkentien, Director, Regulatory Affairs

Susan Gallagher, Global Regulatory Affairs Manager

Tracy Jackson, Regulatory Affairs Associate

Jasmine Smith, Administrative Assistant

Please note that Certis is NOT acting as the official agent for LAM. The above-named individuals will be acting as LAM staff when making official filings with EPA.

Should you have any questions concerning this issue, please contact me.

Sincerely,

LAM INTERNATIONAL CORP.
